**CLOZE TEST: Read the following passage and decide which choice (1), (2), (3), or (4) best fits each blank. Then mark your choice on your answer sheet.**

Probably the best way to understand the purpose and structure of an event budget is to go through each item line by line, keeping in mind that the budget that you start with will not necessarily be the budget .....24..... you end up with. As your event takes shape, you will find that certain things that you expected are unnecessary, and others cost more or .....25..... than you thought; still other items that you didn't plan on needing for your event become a requirement. You have to .....26..... flexible but still try to stay within the total expense parameters that you set up at the outset. The point is that the budget is your bible, .....27..... it takes discipline to stay within it.

As a businessperson, you have to temper your creative side to .....28..... profits. The budget is where this dichotomy comes to a head, and if you learn nothing else from my experiences, learn to let the business .....29..... have more influence than the creative side. Flair for the creative is what will make your events great. Control over the budget is what will make them profitable. You decide where to draw the line! Virtually any event in any sport can get .....30..... using this budget format as its underlying guide.

24-

1. however                      2. since                      3. while                      4. that

25-

1. less                      2. who                      3. much                      4. many

26-

1. remains                      2. remain                      3. remained                      4. remaining

27-

1. and                      2. or                      3. as                      4. in

28-

1. maximize                      2. minimize                      3. decrease                      4. limit

29-

1. office                      2. example                      3. side                      4. search

30-

1. stopped                      2. started                      3. forgotten                      4. avoided
